

to the Zoo from Chingam 1121 after the Budget was sanctioned. This has resulted in a deficit of Rs. 750 under "Feeding charges." There are three lion cubs in the Zoo and they are now being given regular rations. Besides the rations for a lion and a tiger cub kept together for interbreeding, had to be increased as they are grown up now. All these factors have resulted in some increase in the feeding charges, and an additional allotment of Rs. 2,000 is necessary under this head to make up the deficit. I request the House may be pleased to vote this grant.

Demand put and carried

40. Under "32 Scientific etc., Departments—State Museum and Zoo—Printing charges

41. 32-Scientific, etc., Departments—Museum and Zoo—Miscellaneous

Rao Sahib A. Madhava Prabhu (Diwan Peishkar): I may be permitted to move together the next two items.

Mr. President: Yes.

Rao Sahib A. Madhava Prabhu (Diwan Peishkar): I rise to move for additional allotments of Rs. 50 and 400 under "32-Scientific, etc., Departments—State Museum and Zoo—Printing Charges" and "Miscellaneous." A Bill for Rs. 48—6—11 being the cost of code forms supplied in the year 1120 was received in the State Museum and Zoo only in Vrischigam 1121 and has to be paid from the current year's allotment in which there is only a balance of Rs. 25—4—7. As there are other bills to be paid for supplies made in 1121, the amount required for paying the above bill has to be found by additional allotment. The allotment sanctioned under "Miscellaneous" is only Rs. 225. The hire charges of a Government lorry for bringing down books from Ernakulam for the Krishna Kalliani Library, the cost of transport of a pair of black panther cubs from Trivandrum and the increased cost of all Miscellaneous articles usually purchased for the Museum and Zoo, have resulted in some unforeseen expenditure under this head. An additional allotment of Rs. 400 is therefore necessary under "Miscellaneous."

Demand put and carried

42. Under "1—Land Revenue (t) Anti-Rabic treatment (Cranganur)"

Rao Sahib A. Madhava Prabhu (Diwan Peishkar): I rise to move for an additional allotment of Rs. 100 under "1—Land Revenue (t) Antirabic treatment" Cranganur. Owing to the unusually large number of rabic-patients this year the provision under this head has become insufficient to meet the requirements of the year. Against the budget provision of Rs. 25 under the head a sum of Rs. 49 has already been incurred and a few more cases are expected in the course of the year. An additional allotment of Rs. 100 is therefore necessary under the head. No reappropriation is possible. I request that the House may be pleased to sanction this grant.

Demand put and carried

32—Rs. 15,265—Under "21—Education"

Rao Sahib I. N. Menon (Director of Public Instruction): Sir, I move for an additional allotment of Rs. 15,265 under "21—Education." This additional sum is required for advancing a new enterprise as far as this department is concerned. I mean the conversion of Civil Training Centre into an Institute of Technology which would provide Technological Education under three heads. It will provide for an artisans course, it will provide for a Technical high School course leading to the foreman mechanics training and finally it will provide for the Diploma training of L.E.E., L.M.E., and L.E.S. I need not stress the importance of technological education as a measure of post-war development and I reckon it is on extraordinary fortunate circumstances that we had more or less ready to hand an institution which had been in working order during the war. But this item of expenditure is not anticipated at the time of framing the estimates for 1121. It is proposed to start the artisans course immediately and the other two as soon as the buildings and equipments are available. I therefore request that this sum of Rs. 15,245 made up of the several items which will be found detailed in the note to the Standing Finance Committee may kindly be granted.

Mr. P. Govinda Menon (Ernakulam): Mr. President, I am not opposing this motion but these large number of Supplementary demands covering several lakhs of Rupees persuades me to put a question to the Government at this stage. A demand for Rs. 15,265 is made and in the note to the Standing Finance Committee it is stated that this expenditure was not
